

## SABRE INSTALLATION CONTENTS

This document lists and describes what is included in the basic Installation fee that is charged if 247 Technologies' Personnel perform an on-site installation of a Sabre biometric device. It also lists what is NOT included in this fee, and if requested or required, these charges are billed in addition to the basic fee.

(The Installation Cost Projection Figure is to budget on site visits and to give you a good indication of costs of installation per device)

In some cases costs involving the actual installation itself may be less than the quoted fee, and hence the resultant invoice will be adjusted accordingly. In addition, although all installation criteria is listed below, some instances might not be applicable to sites, and thus Final Site Inspections are necessary to determine the necessary installation criteria.

### DEVICE INSTALLATION

|                          |            |
|--------------------------|------------|
| Biometric Reader         | <b>YES</b> |
| Battery Backup System    | <b>YES</b> |
| Door Maglock             | <b>YES</b> |
| Automatic Door Closer    | <b>YES</b> |
| Door Strike              | <b>YES</b> |
| Exit /No Touch Button    | <b>YES</b> |
| Release Switch           | <b>YES</b> |
| Reader Housing           | <b>YES</b> |
| Reader Mounting Brackets | <b>YES</b> |
| Reader Sun Shield        | <b>YES</b> |
| Sabre Software           | <b>YES</b> |

### CIVILS AND ELECTRICS

|  |            |
|--|------------|
| Up to 30m Network CAT5E Cable runs                     | <b>YES</b> |
| Wall Trunking – 1 Up and 1 Down                        | <b>YES</b> |
| Up to 5m Main Power Cable runs                         | <b>YES</b> |
| Extreme Concrete Drilling (through walls, floors, etc) | <b>NO</b>  |
| Cable Trenching (Tar, Concrete, etc)                   | <b>NO</b>  |
| Concrete Plinths                                       | <b>NO</b>  |
| PVC Conduit  | <b>NO</b>  |
| PVC Conduit (Ceiling runs)                             | <b>NO</b>  |
| Mains DB Board Wiring                                  | <b>NO</b>  |
| Network Points   | <b>NO</b>  |
| Fibre Optic Cable Runs and Points                      | <b>NO</b>  |
| Wireless Networking Installation & Configuration       | <b>NO</b>  |
| Network Wiring and/or Network Diagrams                 | <b>NO</b>  |
